SEVENTEEN YEARS!

No Terms but Unconditional Surrender .

#### We make Peace by a vigorous prosecution of THE WAR!!

A GENTS WANTED in every Town, to canvass.

Employment for Gentlemen or Ladies.

Individual, Town, County or State Rights for

Letters Patent were granted us August 15, for a new device for catching flies, by which any lady can rid her house of those pests, as readily as she can dast her parlor. We carry on the war according to the rules of civilized nations, resorting to no Poisons, Sticking Plaster, or Chemical combinations, but, like "Crocket's 'coon," they come down. We live by action—not words! Gentlemen or Ladies, TRY US. We present you the best field and inducements for canvassing to be found in the United States, Communications addressed to us will receive prompt attention prompt attention

### VERMONT

#### Fire Insurance Co. MUtual

Notice of Assessments for 1868.

The members of the Vermont Mutual Fire Insurance Company are hereby notified that the following assessments have been made by the directors on all notes in force on the following days, to wit :

September 3, 1867, November 4, 1867, December 23, 1867, January 19, 1868, March 18, 1868 per cent. per cent. April 2, 1868, April 5, 1868, April 29, 1868, May 13, 1868, July 1, 1868, per cent. per cent 1 per cent. per cent July 9, 1868,

July 2, 1868, per cent.

Making 3 per cent, for the year ending August 1, 1868. Said percentage to be cast upon the original amount of the premium note, without reference to any endorsement; and to be paid to the Treasurer, at his office in Monipelier, on or before the 14th day of October, 1868.

Members of the Company will find in the hands of the Representatives elect to the Legislature, or Local Agents of the Company, a schedule showing the amount of assessment due from each respectively; and they are pasticularly desired to see that the money for their assessments is forwarded to the office in October. The assessment must be paid when due. Those who fail thus to pay ought not to expect to be paid if their property is destroyed by fire. A little attention to this on the part of the Members of the Company, at a proper time, will save them expense and trouble. [See Section 8th, Act of Incorporation, on your policy, which will be enforced.]

Montpelier, Sept. 1, 1868.

J. T. THURSTON,
Treasures

discovery in Dentistry. THE GREATEST ADVANCE STEP EVER MADE IN THE ART.

The main difficulty in wearing artificial teeth is, they do not hold in their place firmly grough, and add to this the annoyance of food getting under the plate while eating. I have discovered a method of so constructing the plate on which the teeth are set that they will not start.

I have secured Letters Patent for the United States, England and France.

The improvement is not in material, but in the construction, whichs course the atmospheric

of such improvement, will call on VERMONT. N. T. FOLSOM.
